Role of Metaverse in Dispute  
Resolution

20th April 2022

# EMERGENCE OF ART LAW ARBITRATION & ROLE OF METAVERSE IN DISPUTE RESOLUTION

## Subhash Bhutoria KEYNOTE SPEAKER

*Lawyer - Intellectual Property & Art law | Top 50 Future Legal Leaders | Arbitrator, Court of Arbitration for Art | Member - INTA and ECTA | Partner at Luthra & Luthra Associates*

Xavier Law School is conducting an enthralling seminar on Emergence of Art Law Arbitration & Role of Metaverse in Dispute Resolution. In today's world, every other person talks about crypto, NFTs, Metaverse etc. But what is it really about? What nexus does Art law has with it? Lots of doubts, questions will be answered in this webinar by our keynote speaker Mr. Subhash Bhutoria, who besides being an arbitrator also runs an art law firm of his own. He is currently designated as Partner in Luthra and Luthra Associates where he majorly works in the area of art law arbitration and he himself is the founder of 'ART LAW INDIA'. Frequently discussed Concepts like "data", "user interaction", "boundless marketplace" and so many things under the umbrella of metaverse will be spoken by our eminent guest. Do Join in and be ready to listen all about the interesting world of Art law arbitration which is an emerging field in the area of law.

# Lex:Artem

## ABOUT

Lex is derived from latin term which mean Law, and Artem in latin means Art, so it can be translated into Law and Art or simply put as the Art of Law. Xavier Law School, XIM University is going to launch an innovative one of its kind first set of annual workshop series & plans to conduct immersion workshops, conferences and also arranges the guest lectures on the contemporary legal issues by the professionals such as the corporate lawyers, advocates and legal luminaries. Lex:Artem plans to host seminars in specialized areas of law like Alternative Dispute Resolution, Intellectual Property Rights & Competition law.
