

Xavier Institute of Management

Vision for the Committee

To promote goodwill and a sense of pride to both alumni and students, to help and support our alumni to the best of our capabilities, and to advance Xavier Institute of Management by connecting our alumni to each other and the institute, the Alumni Committee of XIM has the vision to improve the engagement our alumni hold with the college.

Because XIM is more than just an institution, it is a bond that more than 8000 of our alumni share with a sense of pride and belongingness!

Alumni Get-together

The XIM University Alumni Committee plays a vital role in nurturing the bond between the past, present and future students of the university. We ensure that the mission of “One Family” is achieved.

The “Annual Get Together (G2G)” of the year was successfully held at 9 national centres, New York, and Seattle. “Alumni Connect” session was held for the incoming class. Esteemed alumni had shared their experiences at and beyond XIM.

Pre-Placement Drive

The Alumni Committee launched a pre-placement drive for the final year students, a series of mock interviews conducted by our esteemed alumni to help the students gain confidence and understand how to approach and tackle an interview efficiently.

Grand Homecoming

GHC'22 is one of the flagship events of Xavier Institute of Management that welcomes back the 25th graduated batch back to the campus to cherish fond memories and share their bond with their Alma Mater. This year it was conducted on December 9, 2022.

Odyssey

Odyssey is a webinar series, conducted by the committee to help both the batches understand the various careers in the different domains. The event was conducted on July 7, 2022 with Mr. Siba Satapathy, as our speaker.

Know Your Alumni (KYA)

The XIM Alumni Committee has continued with its very successful series KYA (Know Your Alumni). It features video interviews with our esteemed Alumni, who share their views on their time at XIMB, and provide insights into their diverse range of experiences. They also share their advice for our current students and the XIMB-XUB fraternity. After two years of KYA Online, KYA is back to its offline mode this year. This time the Alumni committee conducted two KYA video interviews during Business Excellence Summit 2022 with our respected Alumni, **Mr. A L Jagannath** (Class of '93) and **Mr. Shailesh Paul** (Class of '95), on 29th September and 1st October, respectively. All the video interviews get uploaded to the XIM Alumni Committee's official Youtube channel.
