

Call for Papers

International Conference on Regenerative Ecosystems, 2025

This conference is evolving to be a Platform to Review the current built-in systems design to Realign and Reengage towards Regenerative Ecosystems: A paradigm shift towards a flourishing state. The conference will include Plenary Sessions with leading Systems Science & Transdisciplinary(TD) scholars, Parallel Technical Sessions, Doctoral Workshop on Systems & TD Methodologies, Regenerative Science Workshop for Practitioners and Policy Executives, and Field visit to Regenerative Ecosystems. We welcome you to explore the Frontiers of this Science.
